

Hassan Momin

Flutter Developer / UI UX Designer

EXPERIENCE

Lead Designer

Exceptions, Bhiwandi

Jan 2023 – Aug 2023 (7 months)

Directly collaborated with Client and Product team to prototype, design and deliver the UI and UX experience with a lean design process: research, design, test, and iterate.

PROJECTS

Personal Portfolio

[Portfolio link](#)

Built a responsive portfolio using Flutter to showcase my skills and projects. Demonstrates my ability to quickly learn and apply Flutter for cross-platform development.

ServYou 24

Mar 2023 – Apr 2023

[Figma Link](#)

Designed a user-friendly app for booking AC repair, painting, and car wash services. Streamlined booking process, verified professionals, and easy payments.

GharTak Food Delivery App

Oct 2022 – Nov 2022

[Figma Link](#)

Designed a food delivery app enabling orders of multiple dishes from one restaurant. Created an intuitive interface for effortless browsing and ordering.

EDUCATION

B.Sc Information Technology

B.N.N College (A,S & C), Bhiwnadi

2017 – 2020
